## **FOR IMMEDIATE RELEASE**

### **MERVYN F. FERNANDES PROMOTED TO VICE PRESIDENT OF STV**

LOS ANGELES, March 1, 2005 – Mervyn F. Fernandes, A.I.A., a senior project manager with STV Incorporated, was recently promoted to vice president. Fernandes, who is based in STV's Los Angeles office, has been with the firm for 20 years. He is responsible for supervising the architectural staff in the Los Angeles office, in addition to managing several key projects.

Fernandes has over 30 years of experience in the planning, design, and construction administration of municipal buildings, schools, and transportation facilities such as transit stations, rail and bus maintenance facilities, and control centers. His expertise includes life safety code compliance, ADA compliance, passenger flow and inter-modal transfers, and fast-track design-build strategies.

Fernandes has managed many large projects for STV, including the modernization of Canyon High School and Saugus High School for the William S. Hart Union High School District in Santa Clarita, Calif.; the design of the Emergency Vehicle Operations Tactics and Training Center for the Los Angeles Police Department; and the design of the Taylor Yard and Shop and several train stations for Metrolink in southern California.

He received both his Bachelor and Master of Architecture from Yale University, and is a registered architect in California and Massachusetts.

Fernandes resides in Los Angeles.

STV is an engineering, architectural, planning, environmental and construction management firm employing more than 1,200 personnel in offices nationwide. The firm is a national leader in the planning and design of facilities, infrastructure and transportation systems, and was ranked 12th in Education in *Engineering News-Record's* Top 500 Design Firms survey.
