FOR IMMEDIATE RELEASE

JOSEPH NORTH JOINS STV AS VICE PRESIDENT

NEWARK, NJ, March 10, 2010 – Joseph F. North has joined STV as a vice president and project manager for operations, safety and security in the firm’s Transportation & Infrastructure Division. He reports to Christopher J. Holliday, P.E., senior vice president and national leader of STV’s systems and security practices.

North is based in STV’s Newark, NJ, office. He is taking the lead on several projects, including STV’s work on the South Jersey light rail project for the Delaware River Port Authority and strategic guidance for the Triangle Transit Authority’s compliance with Federal Railroad Administration regulations. He will also work to increase the market presence of STV’s security services.

He has more than 34 years of public and private sector experience in the operations and maintenance of light rail, commuter rail, bus operations and paratransit systems, with a focus on safety and security, customer service, operations planning, service management, system maintenance, labor relations, and financial management.

Prior to joining STV, North worked at NJ TRANSIT as the general manager of operations for the Hudson Bergen, Newark City Subway and River LINE light rail systems. He also held senior positions at the Bi-State Development Agency in St. Louis and the Metropolitan Transportation Authority New York City Transit, and was a principal of a major management consulting firm for seven years.

North earned a Master of Public Administration from Fairleigh Dickinson University and a Bachelor’s Degree in public administration from Kean University. He is a member of the Rail Transit Standards Operations Sub-Committee for the American Public Transportation Association and the Committee on Light Rail Transit for the Transportation Research Board.

He resides in Westfield, NJ.

With more than 1,700 employees in 33 offices, STV is a leader in providing planning, engineering, architectural, construction management and environmental services for transportation systems, infrastructure, buildings and other facilities. *Engineering News-Record* ranked STV fifth in its Top 20 Mass Transit and Rail firms survey and 11th in its Top 20 Transportation firms survey. STV is 100 percent employee-owned and maintains a web site at www.stvinc.com.
