## **FOR IMMEDIATE RELEASE**

### **JOEL OPPENHEIMER JOINS STV AS ATLANTIC REGION TRANSPORTATION DEPARTMENT MANAGER**

BALTIMORE, May 20, 2005 – Joel K. Oppenheimer, P.E., has joined STV Incorporated as manager of the Transportation Department in the firm's Baltimore office, part of STV's Atlantic Region. In his new position, Oppenheimer will lead a core team of civil engineers and transportation design and planning specialists on transportation projects in Baltimore and throughout Maryland. He will also have a major role in STV's regional planning practice.

With more than 26 years in management, engineering, planning and business development, Oppenheimer comes to STV from a major international engineering firm, where he was a vice president and most recently served as regional business development manager for the company's Mid-Atlantic region. As director of Maryland civil engineering operations, he was project manager on numerous planning and design contracts with the Maryland State Highway Administration, Maryland Transit Administration, and Maryland Transportation Authority. Among those projects were the MD 97/Randolph Road Planning Study, the I-95/Arena Drive Interchange Study, and the Intercounty Connector Study, all in the Baltimore/Washington metropolitan area.

A professional engineer registered in nine states, Oppenheimer graduated from the University of Pennsylvania with a Bachelor of Science and Engineering degree in civil and urban engineering, and earned a Master of Engineering Administration degree from The George Washington University. He is a member of the American Society of Civil Engineers, American Society of Highway Engineers, National Society of Professional Engineers, Institute of Transportation Engineers, Engineering Society of Baltimore, and the Society of American Military Engineers. He also coordinates the Maryland Society of Professional Engineers' Maryland State MATHCOUNTS competition.

Oppenheimer resides in Owings Mills, MD.

STV is an engineering, architectural, planning and construction management firm employing more than 1,200 personnel in 22 offices nationwide. An employee-owned company, STV maintains a web site at [www.stvinc.com](http://www.stvinc.com).
