FOR IMMEDIATE RELEASE

PETER PRATT JOINS STV AS VICE PRESIDENT AND NEW ENGLAND REGIONAL MANAGER FOR THE BUILDINGS & FACILITIES DIVISION

BOSTON, March 10, 2010 – Peter Pratt, P.E., LEED® AP, has joined STV as vice president and regional manager for New England in the firm's Buildings & Facilities Division. He will oversee this division's practice in the New England area and report to Maher Labib, P.E., executive vice president and chief operating officer of the Buildings & Facilities Division.

Pratt, who is based in STV's Boston office, has more than 25 years of experience in project management, financial oversight, personnel management and business development in the commercial, industrial and institutional markets.

Prior to joining STV, Pratt was the director of architectural and engineering services in Boston for an international company that provided clients with technical, professional and construction services. In this role, he headed a balanced portfolio of public and private clients and a number of major projects, including the conversion of a 600,000-square-foot art deco building in Watertown, MA, into the Tufts Health Plan's headquarters. The project included office space with a new atrium, a 300-seat kitchen, a health club and a 1,400 car garage.

His work also included engineering services for renovations to the Harvard University Graduate School of Education, and Lowell and Winthrop Halls in Cambridge, MA, and engineering services for the renovations to Berkshire Dining Hall for the University of Massachusetts at Amherst.

Pratt earned his Bachelor of Science in civil engineering from Merrimack College. He is a registered professional structural engineer in Massachusetts, Rhode Island, Connecticut, New Hampshire, Maine, Vermont, New York and New Jersey and a LEED® Accredited Professional.

With more than 1,700 employees in 33 offices, STV is a leader in providing architectural, engineering, planning, environmental services and construction management for buildings and facilities, transportation systems, and infrastructure. STV is ranked 49th in *Engineering News-Record's* Top 500 Design Firm survey. STV is 100 percent employee-owned and maintains a web site at www.stvinc.com.
