## **FOR IMMEDIATE RELEASE**

### **RONALD K. WISEMAN PROMOTED TO STV VICE PRESIDENT**

DOUGLASSVILLE, PA, March 1, 2005 – Ronald K. Wiseman was recently promoted to vice president of STV Incorporated, where he serves as director of Information Technology. Wiseman is responsible for all online informational systems, computer-aided design, and voice and data communications throughout the corporation.

Wiseman joined STV in 1998, and has more than 20 years of information systems experience focusing on management and implementation of client-server applications on a variety of hardware platforms.

He has advanced knowledge and experience deploying web applications, e-mail systems, Human Resources/payroll systems, and application implementation and support. His other expertise includes data warehousing, data conversion methodologies, Unix system administration, software quality assurance, and production system support.

Wiseman's background also encompasses e-commerce/electronic data interchange, software system development, detailed system design, end-user system training, requirements planning, analysis and development, customer service, and sales force automation projects.

A graduate of Southern Illinois University, he is a member of the Society for Information Management and CAUCUS Association of Technology Procurement Professionals Society.

Wiseman is a resident of Collegeville, Pa.

STV is an engineering, architectural, planning, environmental and construction management firm employing more than 1,200 personnel in offices nationwide. An employee-owned firm, STV maintains a web site at [www.stvinc.com](http://www.stvinc.com).
