## **FOR IMMEDIATE RELEASE**

### **JOHN PRYOR JOINS STV AS VICE PRESIDENT & CHIEF HUMAN RESOURCES OFFICER**

NEW YORK, Oct. 13, 2017 – John Pryor, a veteran human resources professional with more than 35 years of experience, has joined STV as vice president and chief human resources officer. He will report directly to Milo Riverso, Ph.D., P.E., CCM, STV president and chief executive officer.

“Over the course of John’s diverse career, he has consistently demonstrated strong leadership skills and a forward-thinking vision for talent acquisition, human capital management and global benefits strategies,” Riverso said. “We are excited that John has joined STV as we continue to grow in both size and the markets we serve.”

Prior to joining STV, Pryor served as the vice president of human resources for a large multidisciplinary architecture, engineering, planning and environmental consulting firm with offices in more than 50 countries. There, he led a human resources team responsible for the development and implementation of recruitment, talent development, benefits and compensation and succession planning.

Earlier in his career, Pryor was the vice president for human resources at INTTRA, the largest online logistics network in the ocean shipping industry. Before that, he led global human resources strategy and implementation for NBC Universal.

Pryor received his Bachelor of Arts from St. John's University in Queens, NY, and has a Six Sigma Green Belt.

**About STV:** Founded more than 100 years ago, STV is a leader in providing architectural, engineering, planning, environmental and construction management services for transportation systems, infrastructure, buildings, energy, and other facilities. The firm is ranked 40th in Engineering News-Record's Top 500 Design Firms survey and 13th in Building Design + Construction's top 300 construction and project management firms. STV is 100 percent employee-owned. For more information, visit our website at [www.stvinc.com](http://www.stvinc.com) and follow us @STVGroup on Twitter.
